Dear Mom and Dad,

I just have time for a quick note to let you know we've been receiving and enjoying your excellent letters! I came out to the ship this evening as we leave early tomorrow morning.

The two weeks in port were great with many enjoyable visits complemented by perfect weather every day. One fellow was in England and said it was warm and sunny there as well!

My boss visited last week but we still don't know about next year for sure. I'll call him when we get into port on the 11th to find out. Vickie will fly to Monaco to meet me on that date.

I'll get a tape off to you soon with all the details.

Love,
Jim
